Senior football players and cheerleaders will be honored before the game and the Senior athletes from all other Fall sports, including the seniors from Leigh's Roller Hockey club team (see "Did you know?" below), will be honored at halftime. Come out and support your Leigh football team and honor the senior athletes!

## YES on AA - Needs your help

Have you often thought that Leigh's athletic facilities could use a good makeover? That a pool facility where we could host swim meets and field water polo teams would be a much needed improvement? If so, then please help get Measure AA passed.

Our last precinct walk for Measure AA is on November 5th & 6th. Please consider volunteering a little of your time to help with this last push to pass Bond Measure AA, which will fund necessary facilities improvements and modernization at Leigh and other CUHSD schools. All ages can walk -- we are simply dropping flyers at doorsteps, no doorbell ringing! We want the whole community out showing their support for our local schools!

**Students can earn volunteer hours for NHS, Key Club, Interact, and Leos clubs.** Many students participated in our first precinct walk and reported that it was easy and they had fun walking with friends. Students are encouraged to walk in groups of 2-3.

**Sign up at this link [Saturday, November 5, Precinct Walk 2](#)**

(If you enter your home address, we will make a packet for you that includes your neighborhood. if you are willing to walk anywhere within the Leigh area, just enter Leigh High as your address.)

Packets will be distributed on Saturday, November 5th, and we need to have the walking completed either that day or Sunday the 6th.

If you need a packet delivered to you, or have any other questions, please contact either Tamara Strachman (tamara425@yahoo.com) or Natalie Seratti (natalieseratti@comcast.net).

**PLEASE VOTE ON NOV. 8TH - AND VOTE YES on AA**

### Did you know?

Did you know that Leigh is well represented in the local roller hockey scene? The Leigh teams have been competing against other local high schools in the SilverCreek Sportsplex High School League for the past 12 years, and have built a very successful program along the way.

Former Leigh roller hockey athletes have returned to coach the current Leigh teams, and the program is managed and kept running through the dedication of current Leigh families along with the families of Leigh alumni.

Leigh has brought home a D1 Championship, a D2 Championship, and a D4 Championship in the last three years along with many other D2 and D3 Championships in past years.

Many Leigh roller hockey athletes have gone on to play in college as roller hockey has become more established at colleges across the country. This season, Leigh has two teams competing - one in Division 2 (on a winning streak of 5-1 with two games left before the playoffs) and another in Division 3. Games are typically held on Saturday evenings and the game atmosphere is an extension of pride and competitiveness seen at any Leigh sporting event.

Any interested Leigh students can contact Frank Cascarano at [fcphysics@gmail.com](mailto:fcphysics@gmail.com) for more information.

### Football Snack Shack - Thank you for your support!

We couldn't run our very successful football snack shack without the support of the entire Leigh athletic community. All of the money raised goes back to support all of the sports teams at Leigh so it's fantastic when the Leigh coaches and athletes help us out. We had great turnout from several teams so far, including coaches, athletes, and parents. Leigh boy's basketball wins for the biggest turnout so far - we could barely fit all the volunteers in the shack!

## Athlete Highlights

**Michael Brohn** made SJ Mercury News Highlight Reel on Sept. 29th: "Rushed for 185 yards and a touchdown in 29 carries as Leigh defeated Pioneer 21-0 in a BVAL Mt. Hamilton Division opener."
