Fall Sports Underway

Football

The football team started off it's season with a big win over rival Branham, with a score of 33-14. The team has a 2-1 record going in to League play this week against Pioneer. It's the traditional Homecoming Game tonight at 7 pm so come on out and cheer on your Longhorns! Highlights of the Leigh season so far are highlighted in this [Mercury News Football Article](#).

Cross Country

The team's new coach joins in on the training runs as often as he can (see bio below). The team has ran in two league meets so far - duel meets where four teams all participate at once and each team is scored against each of the other teams. Some of the runners will be participating in weekend invitationals over the next month - great opportunities for Leigh runners to compete with athletes from all around the area.

Girls Volleyball

The girls volleyball team has an overall record of 5-6 (1-3 in league). They are on the road facing Del Mar next Tuesday and back home against Leland Thursday.

Girls Tennis

The girls tennis team started off it's season with two straight wins against Silver Creek and Willow Glen. The team has a 3-2 record after beating Prospect in a close 4-3 win and took on Leland yesterday.

The girls are enjoying the long awaited repaint of the Leigh tennis

courts, which was finished just prior to the start of their season.

Field Hockey

Field Hockey stands at the top of their division with a 7-0-2 record, including nice wins over St. Francis, St. Ignatius, and Presentation. The team was also runner up in the Longhorn Round Up tournament hosted by Leigh, with the JV girls winning their division. The Longhorns are highlighted in this [Mercury News Field Hockey Article](#).

Meet Leigh's New Cross Country Coach - Abe Galvan

Coach Abe was raised in San Jose and was a 4 sport athlete at Santa Teresa High School. A San Diego State grad, he went on to compete in many triathlons before settling in to coaching. He now coaches runners of all ages and enjoys sharing his experiences to help others improve. During the day you can find Coach Abe at Rosemary Elementary in Campbell working with the kids there. He really appreciates the focus required in 100 mile runs, prefers spinach over broccdi, and likes to discover as many playgrounds and parks as his son's never ending energy allows.

Athlete Highlights

Emily Smith, Soccer

Leigh High school senior, Emily Smith, was named to the [final roster](#) for the U.S. Under-17 Women's National Team and will be playing in the 2016 FIFA U-17 Women's World Cup to be held in Amman, Jordan, next month. In August, Emily scored her first international goal against Brazil and earned her 6th cap for the U.S. U17 WNT. In addition to representing the United States, Emily also competes for the Leigh Longhorns, where she is a three-time first team all-league selection and last year's league MVP. Good luck Emily!

Jared King, Football

Jared made the San Jose Mercury News Highlight Reel on Thursday Sept. 1st: "King opened his senior season in strong fashion, completing 13 of 16 passes for 208 yards and two touchdowns to lead the Longhorns to a 33-14 victory over their neighborhood rival, Branham. The 6-foot, 175-pound King also rushed for 80 yards and a touchdown in eight carries."
