- 1) Welcome and Introductions
- 2) Reading and approval of minutes—motion made by Elizabeth Kilik, seconded by Angie Lu; motion passed unanimously.
- 3) Maureen presented current situation. Income of \$237 from Mountain Mike's December DNO. Membership drive has raised about \$3,725 which is currently at 11% of projected income. This month's expenditures finally accomplished because of availability of checks, current monthly NI is <\$9,218> leaving a total NI of <\$2,920>. We are trying to spend down so net loss is a goal. A few merchandise sales during the month will show up next month.
- 4) Committee Reports
 - a. Fundraising: Chair position still open. Anyone interested, please let Jen know. Also any ideas for fundraising, please let Jen know to talk it and maybe put something together. A fundraiser with Farm Fresh Produce may be something to investigate.
 - b. Dining Night Out: D. Mantel is working on more dates during the year. It is a challenge with restaurants having such a hard time financially. Another DNO is scheduled for 2/24 and any sales from 11am and the rest of the day will go towards Boosters.
 - c. Donation Drive: Now that sports are resuming it seems the time to ask again for the membership drive. Jake can help us with getting the message out to the teams via TeamSnap.
 - d. Merchandise: Some very limited sales (only a few items). Right now selling as per item and thinking of new ways to have sales. There is talk of trying to get small groups back on campus for freshman who haven't been here yet and may be an opportunity to do some sales.
 - e. Communications/Newsletter: They can help with getting info re' DNO out to interested parties to streamline communications.

- f. Senior Sports Program; In order to be sure Seniors are recognized for their efforts over the last years Kris Suzuki and Alexis Hoekstra will be working together to get a program published with individual/senior group photos in it. We will be getting uniforms and scheduling photos as the year goes on.
- g. Snack Shack – Even with sports starting to happen, we are still not going to be able provide a snack shack this year.

5) Athletic Director Update

- a. Update by sport:
 - i. XC – purple tier; all set to go; waiting for schedule
 - ii. Field hockey – red tier; starting with conditioning. Red Tier expected 4/1; deadline of 3/26 to have a season; when hit red tier, create own schedule to run for approx. 7 weeks (April/May) to play with available teams, no playoffs or finals
 - iii. Football – Orange Tier; Two options 1) cancellation date of 3/26 so convert to 7v7 flag football team and create own schedule. Need to confirm that when Flag football they are in Red Tier; 2) Senior All Star game (fully padded) in June within our district; need to find a vendor to recondition equipment. Another idea is to break apart team so they can play each other and be a cohort
 - iv. Girls Volleyball – Orange Tier (indoor)/Red Tier (outside) many athletes are staying with club team. Last resort, in June a coed all star game
 - v. Water Polo – Orange Tier; cancellation date 3/26; probably just play within our district. 2/2 is the first date to actual swim.
 - vi. All other sports start date is 3/22 including purple sports. Swim and baseball have started open practices. Girls tennis starts on 2/3, boys tennis is holding off for now. Golf is in same season for both boys and girls; hard to get course times because of current demand and also all other schools trying to get tee times.
 - vii. Swimming starting conditioning; 12 swimmers showed up tonight; still waiting to see schedule and staying with club teams for now.
 - viii. Track and Field is getting ready to go; coaches meeting this week. Invitationals aren't allowed currently so trying to get dual meets together. Trying to figure out who is coming back to team because lots of dual athletes.
 - ix. Baseball/Softball-Red tier; starting on 4/1 but currently practices are starting
 - x. Cheer – Sideline-Red Tier then have tryouts and do some virtual tryouts; Indoor= Orange tier
 - xi. Orange Tier sports— Badminton looking into playing outdoors maybe coed game; Boys volleyball maybe play a Leigh vs Leigh showdown; Soccer, some type of last game to celebrate accomplishments. Most soccer players are staying with club teams at this time.

- xii. Basketball – Indoor Yellow tier; Outdoor Orange tier; trying to figure out a place to play outdoor basketball with a surface that they can use. Currently, surface is very uneven with all the construction. Looks like June 26th date.
 - xiii. Wrestling – Indoor Yellow tier; Outdoor orange tier; have an idea of how to host something outside just needs to get approvals.
 - b. For those kids that decide to stay with club but are seniors and for those sports that are able to start after school’s end, Jake is trying to get some type game for each sport to just to offer that “one more game” even if after the end of school.
 - c. Multiple sports/teams will not be allowed so athletes will have to choose. If they decide to go from one team to another at this time it requires a 10-day quarantine.
- 6) In Season Coach/Rep Updates:
 - a. Boy’s Basketball – Joe Goydish: having a virtual meet and greet with team on Thursday and share plans for moving forward.
 - b. Badminton – Patrick McDonnal: Normally a big team and at this moment only one player so looking for any interested players.
 - c. Cheer – Gabby: 50 starting to workout again on Wednesday
- 7) New Business: Tabled for this meeting
 - a. Updates and revisions to:
 - i. Sports Booster Bylaws; current published bylaws are from 2011 and need to be updated to reflect current processes. Kristina has a draft that we can use to get started. Update small portions at a time during meetings.
 - ii. Sports Boosters Website: review of current forms and relevance.
- 8) Adjourn – Next meeting at 7pm on Monday, March 1, 2021
