October 11, 2021

Attending:

Jennifer Lipscomb, Drew Marino, Maureen Currie, Megan Devlin, Alexis Hoekstra, Kris Suzuki, Dana Mantel, Todd Varnell On Zoom: Jorah Ryken, Gia , Jeff Ratinoff, Angie Lu,

Meeting started at 7:08p

- 1) Welcome
- 2) Introductions
- 3) Approve September meeting minutes: motion to approve made by Megan Devlin and seconded by Dana Mantel ; motion approved with one abstention
- 4) Treasurers report:
  - a. Highlights: NI increased to \$10,437 via donations, snack shack income, merchandise sales and membership. Expenses came from membership, merchandise and snack shack.
- 5) Committee Reports
  - a. Dining Night Out - Una Mas DNO earned \$150 and they want to do again in the spring. Next up 10/20 Pizza my Heart from 12-8pm with 30% pay back. Have to say when pay that it is for Leigh Sports boosters and don't use DoorDash or no credit to us.
  - b. Donation Drive/Fundraising: Having great success with \$4,955.12 so far. Re: Alina Fundraising plan: Chris is in charge of getting this all setup and we just press the Go button. Looking for other ideas for the Sports Boosters to own in order to raise funds including a golf tournament with silent auction/dinner, a raffle license during sports games, and spring sport event/open day (open pool).
  - c. Merchandise: Highlighting one product at a time boosts sales of that item and is working well. Asked about temporary waterless face tattoos need to buy 300 of them for \$250 will price at \$2. Stadium chairs; people are asking for them but we need to pay approx. \$3500 or around \$50 each at cost so would need to sell around \$65-70 each. Lots of discussion re the amount of chairs it seems we would sell. Suggestion to sell them as a pre-order item for Winter and Spring sports to get a feel for volume
  - d. Communications: always look for photos and interesting things to send out
  - e. Senior Recognition: For next year, an idea is for sports boosters to provide a banner to every senior student via team photos day to be another way to celebrate seniors and get our name out there into the community.
  - f. Snack Shack: Looking for a person to take over for future years and a BBQer. Also, Kris needs more people to work upcoming dates
- 6) AD Update
  - a. Physicals on 10/14 for winter and spring sports; if play a fall sport don't need a new one.

- b. November 1 is tryouts for winter sports. We will have to extend for football and field hockey players because will make playoffs.
- c. Yes, we have a varsity softball coach and looking for JV softball coach
- d. Cameras are installed and we can live stream from bowl and indoor gym. Subscriptions are the way that parents can watch NHFS
- e. Field hockey, girls golf, water polo and football are having great seasons. Tennis has two matches still coming.
- f. Request from coaches: Jacque Page would like a timing system for XC and track and field meets. A motion is made to approve \$407 to spent on timing system by Megan Devlin and seconded by Kris Suzuki. Motion approved unanimously.

7) New business will be tabled until next time

- a. Future fundraising guidelines
- b. Sports booster recruiting (Board, snack shack, BBQ
- c. Sports programs
